

Telangana MLAs — Questions & Answers

AI training dataset • 119 Telangana Legislative Assembly members

Source and date note: Names, parties and constituencies are based on the Telangana State Portal's current "Members of Legislative Assembly" directory retrieved in September 2026. The Telangana government states that the Assembly has 119 elected-member seats. This document is intended as a simple training/reference dataset; political affiliations and officeholders can change, so verify against the official portal before production use.

Training format
